**It's all in the planning** If you were able to come along to the recent AGM you will have seen the outline plans for improvements to the clubhouse. It is proposed to enclose the east side veranda of the building to make a pleasant, indoor room. While seen predominantly as a members' lounge, this could double up as a bookable space bringing in some much needed extra income to the club. The plans can now be seen on the members area of the website. Have a look and share your thoughts.

**Picture that** While on the subject of the website, some of the pictures are a bit old if we're honest. Do you have any more recent pictures of your boat (or anybody else's) that you think would look good on the site? If so, email them to [info@neylandyachtclub.co.uk](mailto:info@neylandyachtclub.co.uk) and we'll have a look.

Fancy a flutter, and help the club at the same time? Then, why not join the weekly NYC members lottery? Just £1 a week gets you a chance to win £25 with odds of 56 to 1. The winning number is the National Lottery Bonus Ball picked each week in the Saturday Draw. Remember, though, Gambling Commission rules mean that you do have to be a club member to play. For more details, just email: [treasurer@neylandyachtclub.co.uk](mailto:treasurer@neylandyachtclub.co.uk)

Just don't gamble with the ferry!

A date for your diary Whether in a dinghy or on a bigger boat, or even just watching from the shore, we hope that you have enjoyed the sailing at the club. The prize giving event for dinghy and youth training sailors is on 15<sup>th</sup> November. For more details, contact [principal@neylandyachtclub.co.uk](mailto:principal@neylandyachtclub.co.uk)

Congratulations to all the winners – and thanks to all who took part and everybody who helped it all to happen. If you didn't win in 2021: **There's always next year!**
